Intro

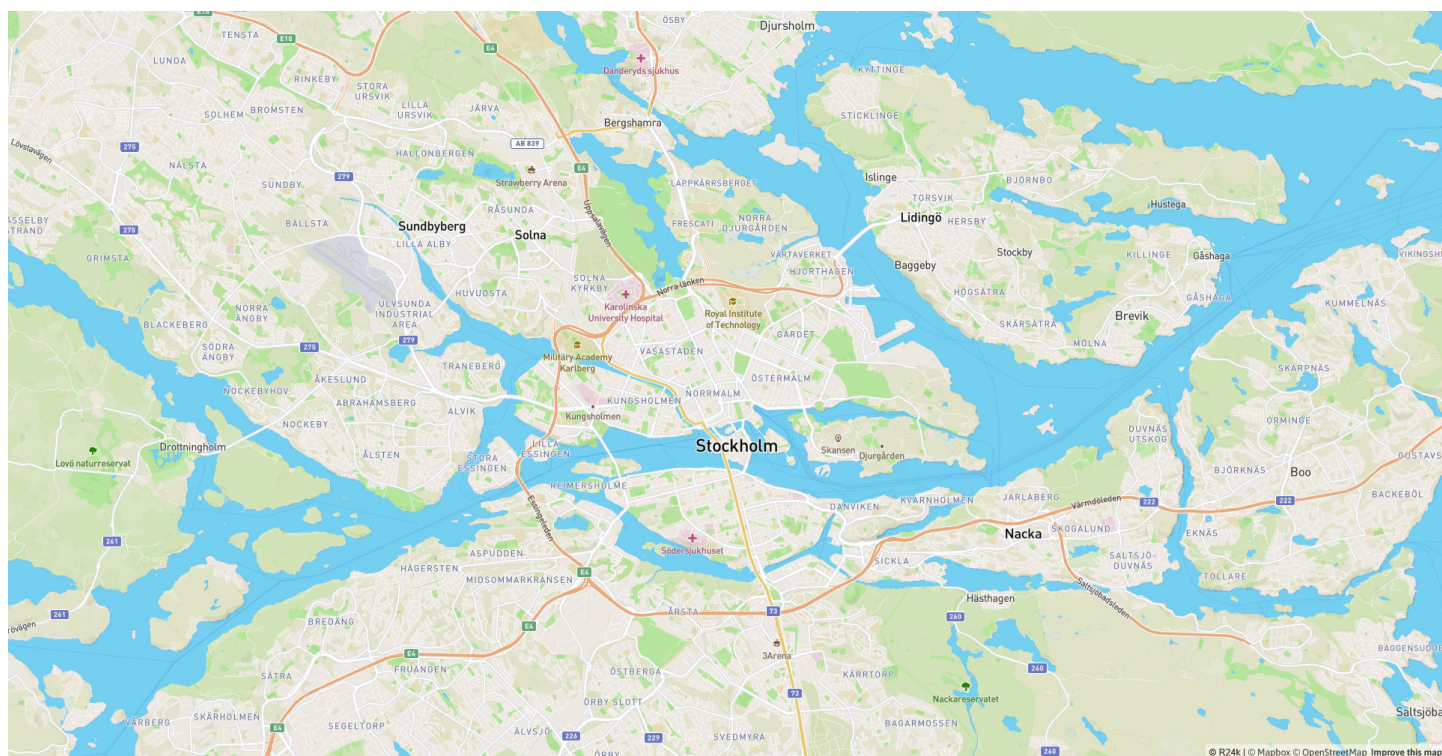

✦ Discover Stockholm: Culture, Challenge & Unforgettable Experiences ✦

Transform your stay in Stockholm into an extraordinary adventure. Explore the city's royal landmarks on a guided walking tour, dive into world-famous museums with exclusive access, and strengthen team spirit through a high-energy, tablet-based city challenge that blends discovery, creativity and pure fun.

Add a touch of adrenaline with a private hot air balloon flight or a thrilling RIB boat adventure through the archipelago. Then unwind and connect over a warm, hands-on Italian pasta-making class, guided by expert chefs who bring authentic flavors to life.

Stockholm has never felt this exciting.

Culture, teamwork, adventure and taste — all in one unforgettable program.

Day by Day

DAY 1: Stockholm

DAY 1: Stockholm

Walking city tour 3h, price per guide

We add a visit to The Royal Palace and/or Vasa museum. As well as the a Private tour of the Nobel Prize museum.

Mission completed Team - Building activity

Embark on a cheerful and active adventure, with the help of a tablet-based map. Markings on the map opens up a wide variety of questions and challenges, guaranteed to create a memorable experience together. Mission Completed gives you the opportunity to explore your surroundings, while creating engagement and strengthening the bounds between the participants. With interesting questions and entertaining challenges, you will compete in teams to gather the most points. After your walk, we will gather around to compile the results and crown the winning team.

By sending you pictures and video clips from the activity, we create memories that lasts and give you the opportunity to look back at the memories full of team spirit and laughter.

Private Hot Air Balloon Experience up to 16 pers

RIB Boat for 12 pers per boat

PASTA MAKING CLASS - HANDS-ON "Followed by our expert chefs, you will learn how to make pasta from scratch, starting from few simple ingredients. You will learn how to make a dough, how to hape it and how to cook it the real italian way!"
