Acommodation at Miss Clara Hotel by Nobis

In one of Stockholm's finest and most well-preserved Art Nouveau buildings, we have had the opportunity to create Miss Clara together with our favorite architect Gert Wingårdh - an urban design hotel with a warm and personal feel. Our fantastic location in the heart of the city is the perfect starting point for discovering all that Stockholm has to offer.

Please note that no preliminary booking has been made. The offer is subject to availability at the time of booking.

Activities for The Families

Walking City Tour with guide 5h

Stockholm, the capital of Sweden, is renowned for its stunning beauty and rich cultural heritage, making it a top destination for travelers. One of the most significant attractions is the historic Gamla Stan, the city's old town, where visitors can wander through narrow cobblestone streets and admire well-preserved medieval architecture. Key sights within Gamla Stan include the impressive Royal Palace, one of the largest palaces in Europe, which hosts the changing of the guard ceremony and offers guided tours of its opulent rooms. Another must-visit location is the Vasa Museum, which houses the 17th-century warship Vasa that sank on its maiden voyage and was salvaged in the 20th century. The museum provides fascinating insights into maritime history and Swedish craftsmanship, making it a favorite among both locals and tourists alike.
